NAUTICAL BEACH TOTE

Pack your brand for a day on the sand. This Nautical Beach Tote Bag features a top zipper closure, an inside zipper pocket and comfortable rope handles that make the hike to the water a breeze. Available in 9 color ways.

LIFESTYLE

Make a brand statement by creating a cohesive, themed set of promotional products. Custom products, colors and graphics to deliver your message. Ask your Cotton Candy rep to create story boards for both hard and soft goods.

TABLET SLING

A sling for active people. It features a fully lined interior and a padded main tablet compartment. The front features a quick access zip pocket, web accessory loops and a front zippered pocket with pen pockets and key clip. The adjustable sling strap can be clipped for left or right side use.

CLEAR VINYL BAGS

A clear vinyl bag is perfect when you've got a product that needs to be seen. Available in a variety of stock and custom sizes and silhouettes. Fully printable.

GAMING BACKPACK

Constructed of durable ballistic nylon and molded front panel to help protect all your tech. Sized to hold all your gaming gear. Prewired universal power bank pocket for charging items in each section. Checkpoint-Friendly design to speed through TSA checkpoints. External USB 3.0 Quick-Charge compatible port and built-in charging cable.

BACKPACK AND BRIEFCASE

Use it both ways; as a backpack and a briefcase. Stay organized with the front double zippered organizer compartment. It includes an RFID lined zippered pocket to protect your wallet, ring attachments on straps for keys and more, a side zippered mesh water bottle pocket and a top zippered cellphone pocket lined with screen cleaning fleece.

COSTANZA CINCH

Made from the same puffy 20d ripstop nylon material as your favorite winter jacket and padded to keep your laptop and all your essentials nice, warm and protected. Folds up into a small zippered pouch when you need to take it on the go.

G LINE ROLL DOWN

Heather grey with colorful accents. Roll top down to clip close. Adjustable shoulder straps and easy-carry handle. Side pockets for extra storage.

SAMSONITE CORPORATE WARRIOR

A duffel bag and a garment bag all in one. The top flap doubles as a garment bag. It totally unzips (only attached to the bottom of the bag), lays flat and opens. Pack your shirts and suits, fill the duffel body, rezip and start moving. The duffel has front and side zippered pockets for extra storage and organization. Hang your garment duffel bag with integrated hanging hook. Comes with shoulder strap and padded handles.

HIGH SIERRA DUFFEL

This is a duffel built to haul gear. Durable and lightweight with large main compartment. Interior zippered mesh pocket. Front accessory pocket. Complete with backpack straps and end grab handles.
